Hey Ben, I'm in the middle of a key stage in a transaction this week so I apologize for my brevity here. I haven't reviewed the links but did look through the attachment. At a minimum I'm really talking about what is the specific ask of the Chairman Circle group? To Inform? To

ask for financial support? Both? If so how much are you asking for? What are uses of funds?
If you are really focused on financial support then the process I described earlier is more of a grant request although not nearly as detailed. We have a limited number of resources as you can know that we can dedicate as we have a number of moon missions and other initiatives which we already spearhead and support. So, any request for support in addition to what we are doing has to be adequately vetted by the cc leadership. Does this help clarify?

Spence, we are not sure what you mean by a plan. We are on our 3rd 5 year strategic plan. Highlights are described starting on page 7 of the attached annual report and the entire plan can be found either at www.memphiscrime.org or operationsafecommunity.org. Let us know if that is what you are looking for or something else. Thanks and again, we are happy to come meet with your group to discuss questions and concerns.
